IMPORTANT: Bricks are imprinted using the "Arial Narrow" font and are proportionally spaced. The lettering is 1/2" high. The width of the lettering is dependent on the actual letter used. Example: an "I" will be thinner than an "M". All letters are CAPITALIZED. You can typically place 18 letters, including blank spaces, on three lines. Logos ARE permitted on the 8 X 8 brick only - you must contact Joe Martin for specific details. Cost is extra!
